Presidents Thoughts

By Club President Terry Miles

Greetings All,

We are in May now and The Kick Off Breakfast will be the start of our busy part of the year. Happy Mothers day to all the moms.

We talked about shirts for the club and for the volunteers for the shows. There will be instructions later in the news letter for anybody that wants a shirt. On the site you will be able to pick a color and size email Nancy what you want and she can put you on the list. We will make up an order form so you can fill out what you want at the next meeting if you want. The website is just so you can see the colors they offer, you can not order from there.

We will need the money for the tickets to tour the Biltmore Estate by May 16th. This is a 2 day pass and the cost is \$130.54 per person.

The Go Kart trip will also need to be paid by the 16th or at the members meeting. This trip is on the condition of weather. It maybe moved because of rain. **This has been postponed!**

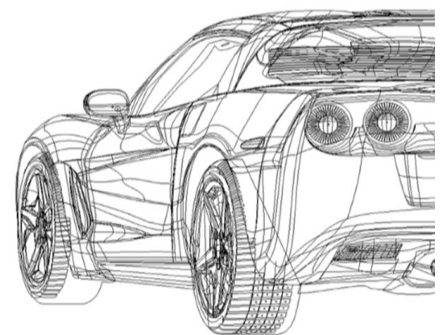

Corvettes at Carlisle is celebrating 50 years so you may not want to miss this show. I am excited this maybe the show they reveal the new ZR1.

I want to congratulate Dick Bordner his C8 will be on the Dash plaque for the Blaise car show.

Please check the events page and our website for updates to our events. I am always available if you have questions.

I look forward to seeing you at the next event.

Terry

ACC Zeigler Cruise-In

In 2023 our first Zeigler Cruise In event of the year was canceled due to a power outage which was beyond our control. We lost a major fundraising opportunity for 2023 and it hit us hard on the club fundraising goal for 2023.

So, we can not wait to get things rolling on the clubs first public fundraising event of 2024!.

We had such a great turnout for the late summer Cruise In at Zeigler's in 2023.

Once again in 2024 The Cruise-In is open to all makes and models of cars, trucks, and motorcycles. Zeigler's will be cooking up and serving FREE hot dogs to all participants. Come on out, meet up with your friends, see some great cars, and listen to some great music.
