

Altoona Corvette Club

August 2026

Hello Everyone,

Let me start by saying what a wonderful trip we had to Bowling Green, KY. Thank you to all that attended. The Museum, the chance to be on the racetrack, the wine and spirits tasting event, the Lost River Cave and the meal at Rafferty's were all great experiences. I also greatly enjoyed the time spent together in the evenings just talking and enjoying each other's company. It was truly another memorable trip together.

We've made it to July; it's going to be a busy month. Our Cruise-in at VIVE Collision is on the 11th from 5-7pm, and our annual picnic is the 19th at the Lion's Park in Newry. Please let Nancy know if you will be attending the picnic. I hope to see everyone there. I am also excited for August. This will be our car show at the Excelsior Fire Hall in Bellwood. If anyone would want to volunteer, please let us know. This looks to be a great show.

Well, stay cool out there and keep them clean and ready to drive. I hope to see you at our events and our club picnic.

Dan Heininger, Club President

Pittsburgh Grand Prix Schenley Park Car Show and Races Saturday, July 18-19, 2026

Mark your calendars for the July 18/19 weekend in 2026 for one of the most unique automotive experiences ever! The signature event of the Pittsburgh Vintage Grand Prix is our Race Weekend in Schenley Park and it should be on everybody's bucket list. More than 100 vintage racers compete over city streets as 100,000 spectators watch the races and browse the car show, which contains 3,000 show cars, sponsor tents, vendors, a food court.

Vintage Races

The PVGP races vintage cars through the actual city streets of Schenley Park. Most are European sports cars from the fifties and sixties, including MG, Triumph, Mini, Austin-Healey, Porsche, BMW and Alfa Romeo. Many drivers consider this circuit to be the most challenging race course worldwide. With 22 turns, 11 elevation changes, telephone poles, curbs, stone walls and numerous manhole covers, it's no wonder the 2.33-mile circuit tests driving skills and entertains crowds. There are practice/warm-up sessions each morning. Qualifying races take place on Saturday, and the Featured Races take place on Sunday. Both afternoons feature exciting racing as groups are separated by engine size and year of manufacture. There is little difference to spectators between Saturday and Sunday's track action, as 125 sports cars will compete. Click [here](#) for more racing details and schedules.

Car Shows

Very few auto races also provide the diversion of a car show. At the Pittsburgh Vintage Grand Prix in Schenley Park, we offer nearly 3,000 of them – from all brands, on the golf course overlooking the vintage races. Some are museum pieces worldwide, and others are rare and exotic. There are no prerequisites to be in the show, subsequently, you may find new and late model cars and even cars at different levels of restoration. Featured weekend car displays include the Italian Cortile, Pittsburgh Cars N Coffee and German Hill featuring Porsche, BMW, Mercedes and VW. There are also car shows for American and Asian cars. There is also a massive display of over 500 British Cars on Saturday, July 19 and Patron Parking on Sunday, July 20. Click [here](#) for more details on the PVGP International Car Show
