

Altoona Corvette Club

February 2026

Hello Everyone,

Happy New Year and welcome to another exciting year with the Altoona Corvette Club. We already had one fun event, that started with a good meal and then some axe throwing. Just so you all know we have some very good axe throwers. It was a fun time for all that went. We have a lot of exciting and fun events planned this year. I think everyone will have a good time. Our next event will be our annual Valetine's Day Dinner at The Allegro on February 7th. I also hope to see those that can be at our members' meetings on the third Thursday of each month. These our great meetings to discuss our events, go over pertinent club information and bring up any ideas for the club, all while enjoying a meal together.

So as your President I am very thankful for all our members and am excited for this year, our events and the chance to raise more donations for Waly Warmth. Hopefully these months of winter go by fast and we can get our beautiful cars out and enjoy them together. So, here's to wishing for an early spring and a great summer.

Dan Heininger
Club President

“ It is within your power to make every day better”

ACC Events

Early Information About the Corvette Assembly Plant Tours for 2026

The National Corvette Museum offers plant tours where you can see the production of the 2026 Corvette models, including the new ZR1X hypercar.

What to Expect

The plant tours provide a behind the scenes look at the intricate assembly process of the Corvette, showcasing the advanced technology and skilled craftsmanship involved in creating these iconic vehicles. Attendees will have a chance to witness the production of the 2026 models first hand, making it a unique experience for automotive enthusiasts.

At this point we are starting to plan our summer trip to Bowling Green to visit the Corvette Museum, visit the Corvette Assembly Plant, Drive our Corvette's on the NCM Motorsports Park Track, and visit Mammoth Cave.

Everything is tentative as we watch for details of the Assembly Plant Tour dates.

Our Newsletter Editor Position is available

The Altoona Corvette Club was founded in 1969 with the purpose to promote and improve fellowship among Corvette Owners.

Our goal each year is to bring a variety of activities and events to club members, not only to celebrate the true American Sports Car, but also to enrich our lives with new and interesting people and places along the way.
