

# Altoona Corvette Club

January 2026

Hello Everyone,

I wanted to start by thanking everyone for such a great year in 2025. It is amazing to think back on the many wonderful events and trips we shared. We had great participation and we look forward to another great year in 2026. The Corvette's are the reason for the club, the fellowship is the reason the club has so much success.

A very special thank you to Nancy and Paula for all their efforts with all the club events. They take a lot of pride in setting up the events that we all enjoy. A very special thank you to Dan for making the Charlotte Trip and the Railroaders Museum Behind the Scene Visit happen. Dan did such a great job in his first year as club president. Also, with Dan and Kris, congratulations on the birth of their granddaughter, Hollis Rae, born December 11, 2025.

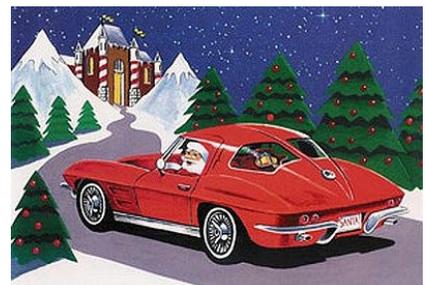

A very special thank you to Rick and Deb Kohler for the tour of the Gettysburg Battlefield. This was a beautiful day and listening to Rick and Deb made us all better understand the reasons for the battle and the magnitude of the human loss.

In reviewing the events calendar you will see that we have moved the VIVE Collision Cruise in to July. Hopefully the weather we be much better for this event. We have also found a new home for the Annual ACC Car Show. The Excelsior Fire Station in Bellwood seems very excited to host our Car Show. We believe this will be a great partnership for many years.

The January club meeting will be an important meeting to attend. We need to make a decision on the club summer trip for 2026. In reviewing the Corvette Museum web site it seems the Corvette Assembly Plant will probably not be having public tours in 2026. Visiting the Assembly Plant is a big part of the reason to go to Bowling Green. We will be asking the members about their interest in this trip. As an option we are considering Watkins Glen in New York.

We hope that you see value in being a member of the corvette club, we appreciate all of you and hope you will continue to support our club. The Membership Application for 2026 is included with this newsletter. We would appreciate the membership application with your dues, this helps us update any information that may have changed.

Thank you and we hope you have a wonderful holiday season and we look forward to a great year in 2026.
